Re: **CC Docket 96-45**  
**State Commission Section 54.314 Certification**

Dear Ms. Dortch and Ms. Flannery:

The purpose of this letter is to supplement our August 18, 2003 High-Cost Certification (copy attached) and to advise the FCC and USAC that the entities listed below have met the requirements necessary to receive high cost support beginning on January 14, 2004, the effective date of the Louisiana Public Service Commission ("LPSC") order designating these entities as Eligible Telecommunications Carriers ("ETCs").

The LPSC certifies that the following carriers meet the requirements necessary to begin receiving federal universal service support on January 14, 2004:

Centennial Lafayette Communications, LLC	SAC 279005
Centennial Beauregard Cellular, LLC	SAC 279001
Centennial Hammond Cellular, LLC	SAC 279003
Centennial Caldwell Cellular Corp.	SAC 279002
Centennial Morehouse Cellular, LLC	SAC 279004

No. of Copies rec'd 0  
List ABCDE

tubby letter

The carriers are eligible telecommunications carriers for rural service areas and universal service funds will be used for the intended purpose during 2004 as evidenced by the affidavit filed on behalf of the carriers.

In addition, the LPSC fully supports Centennial's request for waiver of Section 54.314 of the FCC's rules, the effect of which will allow Centennial to receive universal service support in Louisiana beginning on January 14, 2004. The LPSC supports Centennial's waiver request as in the public interest and consistent with the goals of universal service. As part of its ETC designation, Centennial has committed to use USF funds to provide wireless service to areas of rural Louisiana that currently have no phone service (wired or wireless). Accordingly, the sooner Centennial has access to USF funds, the sooner the citizens of these areas will have phone service.
